

Nurse telephone pre-assessment

Please have this leaflet available when the nurse telephones you for your pre-assessment and a list of your medications

Please contact the Pre-assessment Clinic on one of the numbers below if:

- There have been any changes in your medical condition
- There have been changes to your medication
- You have seen your GP for anything
- You have any further questions or concerns
- Your symptoms have resolved or changed
- You no longer need or want to have the procedure/operation
- You have had a cough, cold, sore throat, or other illness within two weeks of your date of admission to hospital
- You have become pregnant; and/or
- You are planning to fly six weeks before or three months after your surgery.

Pre-assessment contact details

- | | |
|---|---------------------------|
| • William Harvey Hospital, Ashford | Telephone: 01233 61 62 63 |
| • Kent and Canterbury Hospital, Canterbury | Telephone: 01227 78 31 14 |
| • Queen Elizabeth the Queen Mother (QEQM) Hospital, Margate | Telephone: 01843 23 51 15 |

Please contact the Waiting List Office if you are unable to attend for any other reason following confirmation of an agreed date for admission. The Waiting List Office telephone number is on your admission letter.

If you do not have a date for surgery, the Waiting List Office will contact you. Please be aware that there may be a delay between your pre-assessment appointment and the date of your surgery, and you may have to return for an updated pre-assessment to update your health status and investigations.

Please do not smoke for at least 48 hours before your procedure/operation.

If you are planned to be discharged from hospital on the same day as your surgery, please make sure that you arrange for a responsible adult to stay with you for the first 24 hours.

On the day of your procedure/operation

- Please do not wear nail varnish, false nails, or make-up.
- Try to have a bath or shower at home before coming to the hospital.
- Please bring a dressing gown and slippers with you.
- Space at the bedside is limited; please only bring one small item of luggage and leave all valuables at home.

Please attend _____ at _____ on _____

Fasting instructions

If you are having a **local anaesthetic** please eat and drink as normal. If you are having a **general anaesthetic (where you are asleep) or sedation**, please follow the fasting instructions below.

If you are having surgery in the morning

- Do **not** eat food after 2:30am on the day of your surgery. Please do not drink milk or fruit juice with pulp **after** 2:30am.
- You may drink non-alcoholic clear fluids such as water or black tea/coffee until 6:30am. This does not include fizzy drinks.

If you are having surgery in the afternoon

- Do **not** eat food after 7:30am on the day of your surgery. Please do not drink milk or fruit juice with pulp **after** 7:30am.
- You may drink non-alcoholic clear fluids such as water or black tea/coffee until 11:30am. This does not include fizzy drinks.

Should I take my normal medication before my surgery?

- Please bring to hospital all your usual medications in their original containers; this includes any inhalers, eye drops, creams, and ointments.
- Except the following: _____
- Specific medication instructions:

Name of medication	Last dose to be taken	Date	Time
Paracetamol 1g			

Please continue to take all other regular medication as usual on the day of your surgery with a sip of water.

Please could you make sure that you have at home, ready for your day of discharge, enough of the painkillers that you would normally take for mild to moderate pain.
