

Instructions for the day before your orthopaedic operation / procedure

Information for patients from Pre-assessment at Kent and Canterbury Hospital, Canterbury

Please be aware, that your surgery may be delayed or cancelled. So if any of the following apply to you, please call the Pre-assessment Clinic on 01227 783114.

- If you see your **GP** for any reason.
- If there have been any changes to your normal **medication** / or you start taking new medication.
- If you have a cough, cold, sore throat, diarrhoea, or vomiting, or other **illness** in the two weeks before your planned operation.
- If there is any chance that you have an **infection** in any part of your body, such as a tooth infection.
- If you have any **ulcers**, open wounds, grazes, insect bites, or cuts on your skin, on any part of your body.
- If you have had any other **procedure**, including dental or podiatry, in the three weeks before your operation date.
- If you become **pregnant**.
- If you are planning to **fly** six weeks before or three months after your surgery.

You may no longer need or want to proceed with your operation if:

- Your symptoms have resolved (got better on their own).
- Your symptoms have improved to a manageable level, and are no longer affecting your quality of life.
- You no longer want the procedure / operation.

If any of the above apply to you, please contact the Pre-assessment Clinic on 01227 783114 as soon as possible.
